

Extraordinary General Assembly Volley VUF November

Monday, 27/11/2023, 18:00 - Prismen, Holmbladsgade 71, 2300
København S

Duration: 18:38 – 19:50

Attendance: 5 members (of which all are eligible to vote)

The extraordinary general assembly is held in English. 3 participants are not Danish and prefer English as the language of the assembly.

1) Election of the conductor, secretary (and possibly the vote counter)

Paola is elected as conductor.

Laurin is elected as secretary.

2) Approval of the notice of the meeting (conductor)

The notice has been given in due time and in accordance with the association's articles and is approved by the board. It was called in 1 week before the meeting.

3) Approval of the agenda

The agenda is also approved as all criteria are met under the association's articles § 5, paragraph 4.

4) Election of new chairperson (forperson)

All members are encouraged to stand for election as chairperson.

Mika stands for election as chairperson.

Mika is unanimously elected chairperson.

5) Optional

- Paola suggests changes in the training program (eg. different exercises and games). Maybe we could have a training plan with different exercises and include more strategy theory. The board agrees that the training should be more organized. We will discuss it further at the general assembly.
- Paola suggests making different teams for tournaments. One that wants to play for fun and one that wants to play to compete and be more serious about winning. She would like to meet the different needs and attitudes of the ambitious and skilled players and thinks it could attract more people. Lars Peter is worried that it might go against the original spirit of Volley VUF, which is a friendly and social club that is open to everyone and every skill level. We will discuss it further at the general assembly.
- Christmas party. We can spend 500 DKK per person (around 10.000 DKK in total), assuming that around 20 people show up.

Minutes of the meeting by Laurin Spörri, 27/11-2023

The minutes of the meeting are signed by the conductor and the entire board (date and signature).
